

# Slow

Jamie Foxx

Oh, oh, oh

Oh, oh, oh

There's so much that I wanna do to you

First you gotta step into this room

Look into my eyes, I'ma look right into yours

Cut the lights off but don't you close the door

Tonight I'm gonna make my hallways echo you

Now pull my shirt off, pull your jeans down

Oh baby, take your time, now turn around

As our bodies catch the mirror

Let me grind into the song, I'ma do you all night long

And now we go slow, slow, slow

And now we go slow, slow, slow

Those other guys don't get it like I get it

But I'm with it, I get it and they just wanna hit it

But I hear you, I pay attention

I'm not finished till you're finished

You're gon' get yours, I'ma get mine

And I'ma take my time and I'ma do it slow

Shawty like it slow, s-s-shawty like it slow

S-s-shawty like it slow, slow, slow, slow slow, slow

Shawty like it slow, s-s-shawty like it slow

S-s-shawty like it slow, slow, slow, slow slow, slow

Baby, I'ma do you till you lose your mind, oh

Baby, you're so, muthafuckin' fine

Hey, I'ma do your little body like a roller coaster

So hold on tight, lay on my shoulder

And slowly but surely I'ma break that body like a cake

You're gonna sweat these sheets out, I'ma mess your hair up

And I'ma wild out on ya like I don't give a fuck

Until it's three o'clock, four o'clock, five o'clock, six

And I gotta take my time with you 'cause your shit is the shit

And now we'll go slow, slow, slow

And now we'll go slow, slow, slow

Those other guys don't get it like I get it

But I'm with it, I get it and they just wanna hit it

But I hear you, I pay attention

I'm not finished till you're finished

You're gon' get yours, I'ma get mine  
And I'ma take my time and I'ma do you slow  
Shawty like it slow, s-s-shawty like it slow  
S-s-shawty like it slow, slow, slow, slow, slow, slow  
Shawty like it slow, s-s-shawty like it slow  
S-s-shawty like it slow, slow, slow, slow, slow, slow  
Oh, that's it, here we go, put my love in the air  
If the curtains are open I don't care, let them stare  
I can do all the way, every step on the staircase  
Baby, let me make your day  
Oh, oh, oh, ooh  
Oh, oh, oh, ooh  
Oh, oh, oh  
Oh, oh, oh
