

# Heartbeat

Iyaz

Verse 1:

Well it was just two years ago,  
Met a girl in San Fransisco  
Took her by the hand  
And I trapped her love. And it was then that I could see.  
Just her reflection of natural beauty.  
Never would've thought  
She'd become my own. Chorus:  
You got my heartbeatin' like a drum roll.  
And if you said it's over I'll be done, oh.  
Man, I swear my hands start shaking  
And my heart beats racing like. Bum, bum, rupapabum, oh  
Bum, bum, hearts beating like drums.  
Oh bum, bum, barumbabumbum, oh. My hand starts shaking  
And my heart beats racing,  
Like bum, bum, barumbabumbum, oh  
Bum, bum, hearts beating like drums.  
Oh bum, bum, rupapabum, oh. My hand starts shaking  
And my heart beats racing like.. Verse 2:  
Well now two years have passed,  
And we've had our ups and downs.  
Please I said.  
"You'll be up and gone." But you're still by my side,  
Said everything would be alright.  
I guess I'm tryin' to say  
"Would you be my wife?" (Chorus) Chorus 2:  
My hearts beating like a drum,  
My tempretures like a sauna.  
If you know what I'm talkin' about,  
Then let me hear you holla.  
(2x)(Chorus) Yeah, I.
