Young Kobe

The Underachievers

[Verse 1: Issa Gold]
All my niggas bout they business
Ronnie made off with the chicken
Nigga stash it as I Get I't
And I never dropped a rock
I'm a fiend I'm like Lebron
I'm like Mussolini
Genghis Khan
A Leader of the town[Verse 2: AK]
No hype beats I'm Undefeated
Flow so cold might be anemic
Ride like Phoenix
Day n' night
We blowing Keisha
Know I need it
What's ya fantasy I treat It
