The Creature

Elf Power

Careful where you hide, secrets come alive
Walk right by the evil things, slip into the night
I am the creature and I'll roam
I've lived a thousand times before
No longer waiting at your door
I am the creature and I'll roamAll across the land, the spectre holds your hand
Though her face, you cannot see, her thoughts you'll understand
I am the creature and I'll roam
I've lived a thousand times before
No longer waiting at your door
I am the creature and I'll roamCome on under, I'll be waiting right beneath your feet
Time is over, we're forgotten, lightning fills the seaHave you ever heard the noises and the words
Calling out to lure you to the boiling underworld?
I am the creature and I'll roam
I've lived a thousand times before
No longer waiting at your door
I am the creature and I'll roam
