

Creep Magnet

Beatsteaks

Creep magnet
Why does it always happen
When you know he's never going to do
what you want him to do Sweet rabbit
Why don't you get what you came for
Just can't grab it
Only a little attention
Why does it always happen While you run around collecting answers
Looking here and there
When you know he's never going to be what you want him to be Creep magnet
Why don't you get what you came for
Sweet sweet rabbit
in another dimension
When is it going to happen When is it going to happen
and is it going to happen
if it's going to happen
When is it going to happen happen happen Sweet rabbit
Creep magnet
Creep magnet
Creep magnet
