

# The Rise And Fall Of OOO Mau

## Primitive Radio Gods

Future star, red guitar  
You're gonna go far if you find a right producer  
The world's your toy, super boy  
The girls all faint and you start a new religion  
Four-star media whore  
Back door encounters with Madonna  
Sales fall, lose it all  
The crowd moves on and you can't afford a limo  
Pout and cry, fake suicide  
Then write a book about a past addiction  
Tombstone all your own  
Twenty years and no one will remember
