

# My Heart

Jermaine Rodriguez

My heart

Just one moment with You Lord  
My pain is gone my pain is gone

Just one moment with You Lord  
I can go on I can go on

At times I feel far away  
I seek your face  
I seek your face

And when I feel all hope is gone  
I'll call your name  
I'll call your name

My heart and soul cry out  
I'm lost without your love

I will forever seek you  
Lord I need your touch

Just one moment with You Lord  
My pain is gone my pain is gone

Just one moment with You Lord  
I can go on I can go on  
My heart and soul cry out  
I'm lost without your love

I will forever seek you  
Lord I need your touch

My heart and soul cry out  
I'm lost without your love

I will forever seek you  
Lord I need your touch

Oh ohh ohhh

My heart and soul cry out  
I'm lost without your love

I will forever seek you  
Lord I need your touch

My heart and soul cry out  
I'm lost without your love

I will forever seek you  
Lord I need your touch
