Canvas

Keepsake

Slow hard, dog, wait, down love, black canvas
Revolve within, you understand
Fragile earth where cracks in the temperature
Keep it cool to give, you understand
Keep it cool to give, you understand
Slow hard, dog, wait, down love, black canvas
Revolve within, you understand
Fragile earth where cracks in the temperature
Keep it cool to give, you understand
'Cause I just can't find the strength
To pull you up and keep you taut
No I just can't find the strength
To hold you up and keep you taut

Hijacked, lost track, light fades another day left
Long shadows lure you in
The more you look the less you see
So close your eyes and start to breathe
Oh, you said yourself this wasn't easy
Oh, you said yourself this wasn't easy
Oh, I just can't find the strength
To pull you up and keep you taut
No, I just can't find the strength
To hold you up and keep you taut
'Cause I just can't find the strength
Oh, to keep you taut
