

# Canvas

## Keepsake

Slow hard, dog, wait, down love, black canvas  
Revolve within, you understand  
Fragile earth where cracks in the temperature  
Keep it cool to give, you understand  
Keep it cool to give, you understand  
Slow hard, dog, wait, down love, black canvas  
Revolve within, you understand  
Fragile earth where cracks in the temperature  
Keep it cool to give, you understand  
'Cause I just can't find the strength  
To pull you up and keep you taut  
No I just can't find the strength  
To hold you up and keep you taut

Hijacked, lost track, light fades another day left  
Long shadows lure you in  
The more you look the less you see  
So close your eyes and start to breathe  
Oh, you said yourself this wasn't easy  
Oh, you said yourself this wasn't easy  
Oh, I just can't find the strength  
To pull you up and keep you taut  
No, I just can't find the strength  
To hold you up and keep you taut  
'Cause I just can't find the strength  
Oh, to keep you taut
