Saved by the Summer

GoodLuck

I was on my own waiting for you.
Waiting. For. Summer
Waiting. For. Me
I was. On my. Own
While you were there
Waiting for summer.
Oh by the sea.I can't imagine. Why we still apart of this.
Said I can't imagine
Why we got It wrong.See I was there waiting summer. Waiting for you. Waiting for me
And I was on my own
While. You were there
Waiting. For. Summer
Oh by. The sea
Oh while. We. Thinking
Why you. Have to let. Me. Down
Must been drinking
Soo I have got to run
See there waiting for. Summer waiting for. You waiting. For
I was on my own while. There waiting. For summer.
Oh by the sea
Where's your. Heart where's your head at
Where's heart
Wheres your heart where's head at.
Wheres your heart where's head at.
Where's your heart
See I was there waiting for. Summer back to you back to me.
I was on my. Own waiting. For you
Waiting. For summer. Oh by. The sea.
