Freedom

Run Kid Run

Oh my chains, I can't disengage
I don't believe that I want to
One hand sings Your praise
The other brings me shame
I have selfishness to blameAnd I'm singing for freedom
I know I'm not the only one praying to the One
Who can bring me this freedom
I'm ready for change, change, change, changeLooking down I lay
I keep holding my chains
No longer bound but here I stay
I scream, Father please, I need rescuing
I need You and You aloneAnd I'm singing for freedom
I know I'm not the only one praying to the One
Who can bring me this freedom
I'm ready for, I'm ready forStill You patiently await
Yet I won't just let go
I see You and You alone
Say come, follow me
Despair has come so You can't see, releaseSo I'm singing for freedom
So I'm singing for freedomThe time has come, separation lost the war to love
Take my hand, grace is found, yeah where Your words begin
You're alive, You're alive, in the waking of new life
Take my hand, in the end there's only love, there's only loveThere's only singing for freedom
I know I'm not the only one praying to the One
Who can bring me this freedom
I'm ready for, I'm ready for
Father please, I need rescuing
I need You and You alone
