Sweet Tooth

Tony Joe White

My baby got a sweet tooth, sweet tooth
Baby got a sweet tooth, sweet tooth

She was making cookies
They were chocolate chip
I walked into the kitchen
She had a little chocolate on her lip

I said Baby, baby
Don't you know
Ain't gonna be no cookies
If you keep on eatin' the dough

My baby got a sweet tooth, sweet tooth
Baby got a sweet tooth, sweet tooth

[Instrumental]

Just about midnight
Needed somethin' to eat
I headed for the cookie jar
Needed somethin' sweet

I had one in my mouth, one in my hand
Needed somethin' to drink
I walked over to the refrigerator
And felt my body sink

She left me a note
On the icebox door
Said Baby we're out of milk
Would you please go to the store

My baby got a mean streak, mean streak

Baby got a mean streak, mean streak

Too mean...

[Instrumental]

My baby got a sweet tooth, sweet tooth

Baby got a sweet tooth, sweet tooth
