

# Concrete Waves (Album Version)

## Kendra Morris

Did you ever had a concrete wave  
Did you ever had a concrete wave  
Did you ever had a concrete wave  
    What it's say, what it's say  
    Pay me cracks just next to  
    Pay me cracks just next to  
    Pay me cracks just next to  
    Money was spent to  
    What you do to feel me

Will bring one down just once sleep for  
Did you ever had a concrete wave  
    Did you ever had a concrete wave

    On back to the golden  
    Do the top my hand goes burn

With thoughts of you I never learn  
Ah ah ah ah do you want em, noh  
    Ah ah ah ah so you want me, noh  
    Ah ah ah ah do you want em, no

Ah ah ah do you want me  
Did you ever try to burn a breeze  
    Did you ever try to burn a breeze  
    Did you ever try to burn a breeze  
    Like a it's not easy

    Have a little few too flame  
    Have a little bit few to fire  
    Have a little bit few fame

Watch it burn watch it blame higher  
    Won't I or quite alright

If you don't tell blaze hand tonight  
Did you ever try to burn a breeze  
    Candles the trees  
    Did you ever

    See grant see grants on your fine

If you can't whisper to some whine  
Ah ah ah ah do you want em, noh  
    Ah ah ah ah so you want me, noh  
    Ah ah ah ah do you want em, no  
    Ah ah ah do you want me
