## Over It

Watched this clock turn around itself a thousand times  
and i still can't understand why these words wont change your mind  
you can't help searching for lost open eyes  
and i once said i would have given my arms to hold you  
but i've heard the rain fall outside  
if this is for all the times i've hurt you  
i've shed so many tears inside  
turn my eyes across the room but you never seem to be there  
but there you are  
if i could cross my heard this last time  
just watch you walk away unseen  
then i could turn around and know exactly where we are
