Over It

Watched this clock turn around itself a thousand times
and i still can't understand why these words wont change your mind
 you can't help searching for lost open eyes
and i once said i would have given my arms to hold you
 but i've heard the rain fall outside
 if this is for all the times i've hurt you
 i've shed so many tears inside
turn my eyes across the room but you never seem to be there
 but there you are
 if i could cross my heard this last time
 just watch you walk away unseen
then i could turn around and know exactly where we are
