

Vlad the Impaler

Kasabian

Face check, I walk this beach
I'm frying in the heat
In the cauldron stir meChomp down my diamond teeth I ain't got
The simple things in life have been lost
You have got to witness
This is your last retreat, my last repeatAll my friends are as sharp as razors
Cut you down if you touch the faders
High class girls hung in elevators
Now we have got the floorGet loose, get loose
Get loose, get loose
Get loose, get loose
Get loose, get looseGet loose, get loose
Get loose, get loose
Get loose, get loose
Get loose, get looseYou can't miss me, I'm still alive
Snake skin shoes, I'm pleading homicide
Come on and feel this, I'm still alive
Joker meet you on the other sideBanshie, I hear you call
We need to raise the dead
We need to raise the peopleCut throat, this blood runs thick
It is true the simple things in life have been lost
You have got to witness
We are the last beatniks, the lost hereticsAll my friends are as sharp as razors
Cut you down if you touch the faders
Listen up all you masqueraders
Now we have got the floor
Now we have got the floorGet loose, get loose
Get loose, get loose
Get loose, get loose
Get loose, get looseGet loose, get loose
Get loose, get looseGet loose, get loose
Get loose, get loose
Get loose, get loose
Get loose, get loose
Get loose, get looseGet loose, get loose
Get loose, get loose
Get loose, get loose
Get loose, get looseYou can't miss me, I'm still alive
Snake skin shoes, I'm pleading homicide
Come on and feel this, I'm still alive

Joker meet you on the other side
Get loose, get loose
Get loose, get loose
Get loose, get loose
Get loose, get loose
Get loose, get loose
