

At War With Satan (Intro/ Preview)

Venom

The dark silhouette of the creature
Poised, crouched on the corner of a cliffs edge
Waits eagerly, eyes glare patiently.
Red eyes filled with fire and torment
Gleam in the frenzied brightness
Across the shadowed vallies below.
A crack of thunder breaks the deafening silence
Which once ruled the planes, the creature is unmoved
By the commotion and the noise, and the blinding fork
Of lightening which strikes only a few yards from where
Lays it wait for something...
Satan laughs, wings spread to magnificent fullness,
The creature stands at full glory, inhaling deeply
The ice cold air each tender muscle rippling in
The almighty stench of the great dimensional diety...
Lucifer smiles, from the far far west a chariot of fire
Emerges travelling at a tremendous speed toward the
Creature, the creature laughs as if in an immense
State of frenzy the creature leaps up off the ridge
And hollers with dignity in the now cloudless sky
Its long red hair blowing freely in the wind...
The chariot emerges and with a sharp swift movement
The creature takes the reigns and flies up into the
Night, howling out immortal cries, a prediction
Of war,
At war with Satan!
The warriors gather slowly around
The sacred city, Hell
Satan screams a vengeance
On the land as the angels fell
Tyrants pray disaster for the
Land of love and trust
Demons plot a way to turn
The Heavens into dust.
The standard bearers chosen
From the mass of Satan's dogs
To hold the flag of Hades high
Defying all the gods
Satan laughs the words of war
The Heavens shake with fear
Armageddon sings his song
The battle's ever near.
Let the joyous celebrations of Hell begin
Who holds the keys to the seven gates?
Lucifer's
demonic laughter
Assist our quest, Belial prays
Free from Hell who serves the master
Sound the charge on Sabbaths day.
Charge!
Crest the demon's souls
Show yourselves in power
Angels fear resist
Nothing holds the storm
Inform the grand master of Hades
Storm the gates!
Free from the pits of Hell

Slaves emerge the mountain
We shall destroy the accursed Heavens
Advance great legions strong
Crush the gates and enter free
Our lord of Hell must take God's throne
Heavenly inferno
Spread the message far...Take to the skies!Come on...Frenzied demons - Angel's cries
Lucifer commands the orgy
Molten mayhem, one thousand lies
Heaven fails to hold tranquilityThe brides of sin are wed
Their price, nine holy heads
White marble walls bleed redFuck the BastardsCome on...God's creation - all must seeHeavens Hell
God has fell
Sound the knellWhere time and space collide
Mortals sit and watch the tide
Of Angels crashing up against the sacred shoreWithout the holy grail
Only evil can prevail
The church of God can't hide the truth no more
Can't see the light no moreLight up the skies...The Demons ring the Sabbath bells
Rejoice the witches chant
Preper the sacrifice - by fire
The blood runs black through heavens shell
Declare the witches dance
Nothing shall suffice
The souls of ChristDrag him through the whores!Come on...
Come on...Orgies filled with joyous laughter
Alters of the flesh
Equinox eternal glory
El descends in deathSatan's empire
A new born flaming star
Children screaming out in pain
Destroy the priests
Destroy their reignTyrant pledge the souls of legions
Sullen and remorse
Tana turns the key of life
To hear the thunder roarAncients gather amidst the stars
Mortals stare in fear
The Earth is damned beneath the mist
A veil of angels tearsWhite clouds of life are turning black
The virgin pure she fears attackCome on...You are damned...Children of pleasure move
Appear amongst us
The dark Lord has opened his jaws
Raise for Satanic queen
Ye sons and daughters
Take heed the flame forever learn

Now is come salvation
 Strength and the kingdom of our
 Satanic majesty
 You'll always learn! Are you damned in Hell? Damned in Hell Lilith holds the black heart in her hands
 The blood flows
 Desecration of God's holy shrine
 Armageddon Hahahahahahaha Pandemonium burns in the night
 The Hell spawn
 Celebrations at Sabbats galore
 Unite with mother whore Take that bitch
 We shall not be destroyed... Satan laughs, damnation has sunk its talons deep
 Into the womb of utopia spilling forth great streams
 Of virginal purity and bliss.
 The golden throne of the tetragrammaton is ablaze,
 Satanic majesty sits proud, the joyous drones of celebration Enact scenes of blasphemy, lust and destruction.
 Raping the holy trinity the Sabbath chimes the tunes of bliss
 And sanity, the Heavens in their last throes of death.
 Gabriel and his arc angels falling ever downwards through the Fires of pandemonium to the dark deserted depths
 of Hell
 Their broken bloodstained wings scorched the by raging inferno
 Lay battered by the shores of the styx.
 Weary from the battle they seek refuge, bathing their wounds In the blood of a million matyrs while celebration
 ringing
 In the heavens grows strong the keys to the seven gates of Hell
 Lie momentarily unguarded.
 Raging flames carved by the innocence of the angel's hearts Will release forth their wealth of centuries of God
 loving
 Souls once wronged of their destiny of Heaven's golden palace.
 An unseen presence breaths never before pangs of mortal hatred
 And anger deep into the pounding hearts of the angels. Once more the creature is summoned to deliver a
 declaration of
 War, At war with Satan! The angels gather slowly around
 The sacred city Hell
 Gabriel screams a vengeance of the
 Land as the angels fell Matyrs prey disaster for the
 Land of hate and scorn
 The Angels curse the day the antichrist
 Was ever born...
