Blue Jeans

Lana Del Rey

Blue jeans
White shirt
Walked into the room, you know you made my eyes burn
It was like, James Dean - for sure
You so fresh to death and sick as ca-cancer
You were sorta punk rock, I grew up on hip hop
But you fit me better than my favourite sweater - and I know
That love is mean, and love hurts
But I still remember that day we met in december - oh baby!

I will love you till the end of time
I would wait a milion years
Promise you'll remember that you're mine
Baby can you see through the tears
Love you more
Than those bitches before
Say you'll remember - oh baby - say you'll remember
I will love you till the end of time...

Big dreams
Gangster
Said you had to leave to start your life over
I was like "No Please" stay here
We don't need no money we can make it all work
But he headed out on sunday, said he'd come home monday
I stayed up waiting, anticipating and pacing but he was
Chasing paper
Caught up in the game - that was the last I heard...

I will love you till the end of time
I would wait a milion years
Promise you'll remember that you're mine
Baby can you see through the tears
Love you more
Than those bitches before
Say you'll remember - oh baby - say you'll remember
I will love you till the end of time...

He went out every night
And baby that's alright

I told you that no matter what you did I'd be by your side
Cause I'm a ride or die
Whether you fail or fly
Well shit, at least you tried.
But when you walked out that door - a piece of me died
I told you I wanted more - but that's not what I had in mind
I just want it like before
We were dancing all night
Then they took you away - stole you out of my life
You just need to remember...

I will love you till the end of time
I would wait a milion years
Promise you'll remember that you're mine
Baby can you see through the tears
Love you more
Than those bitches before
Say you'll remember - oh baby - say you'll remember
I will love you till the end of time
