Shine

PFR

There is no reason to run anymore
No reason to hide away
Since He's come into my life
He's brought sunshine to my dayI will let my light shine, no more shadows
I will let my light shine, darkness run away
I will let my light shine for a bright tomorrow
I will let my light shineNo more casting shadows
No more living lies
Since He's come into my life
He's brought sunshine to my skiesI will let my light shine, no more shadows
I will let my light shine, darkness run away
I will let my light shine for a bright tomorrow
I will let my light shine
