Peachy

[Laura Stevenson](#)

I think about you all the time
But even though I don't talk to you
That doesn't even mean that we are through
I, see you as paradigm
of a life that seems so amused
by all the things that I refuse
I, think ur walkin' on broken glass
and I hope ur not going down fast
That all seemed so real to me
Cause I was living in my own fantasy
Ur running after a grand mistake
Ur headed for the real heartache
And then you tell me that you think I'm wrong[Chorus]
Hey, don't ever bring me back
To where I used to be
Cause now I feel so fine and I feel so Peachy
Hey, don't ever bring me back
To where I used to be
Cause now I feel so fine and I feel so PeachyFriend, can't you see I'm trying to help you out
But ur mind is stuck on things that leave you adrift with broken wings
You, wanna talk about God Philosophy
I don't think there's anything wrong
I've got time, in fact lifelong
I, think ur walkin' on broken glass
and I hope ur not going down fast
And then you tell me that you think I'm wrong[Chorus]Hey, don't ever bring me back
To where I used to be
Cause now I feel so fine and I feel so Peachy
Hey, don't ever bring me back
To where I used to be
Cause now I feel so fine and I feel so Peachy
Don't bring me down
Cause I don't have time for that anymore[Chorus x2]
