

# Portugal

## Eleven Pond

I asked too nice, now you want to go  
In a parting lance, off to Mexico.  
I asked to twice, then i say to go  
Find sweet romance, down in Portugal.

I asked too nice, now you want to go  
In a parting lance, off to Mexico.  
I asked to twice, then i say to go  
Find sweet romance, down in Portugal.

I asked too nice, now you want to go  
In a parting lance, off to Mexico.  
I asked to twice, then i say to go  
Find sweet romance, down in Portugal.
