

Right by Your Side

Johnny Orlando

You're so beautiful
Can't believe my eyes
But you keep searching baby
I don't know why
Got me running in circle
What do you do?
Woo ohh
I can't explain this feeling
But I know it's true and
I, I need you by my side
Wo ooh ooh ooh
Why?
I tell you why
Cuz you're the only one
You make my heart go thump
Now what?
Cuz you're the one I want
Wo ooh ooh ooh
Don't wanna know me
I'll think you do
But you keep searching baby
Why do you?
Open your eyes
So you'll realize
That what's you looking for is
Right by your side
I wanna know how you feel when you sad
And I'll make you happy when you're mad
I wanna be with you all the time
I guess what I want is to be in your life
I, I need you by my side
Wo ooh ooh ooh
Why?
I tell you why
Cuz you're the only one
You make my heart go thump
Now what?
Cuz you're the one I want
Wo ooh ooh ooh

Don't wanna know me
I'll think you do
But you keep searching baby
Why do you?
Open your eyes
So you'll realize
That what's you looking for is
Right by your side
Right by your side
Right by your side
Right by your side
Right by your side
You make my heart go thump
Now what?
Cuz you're the one I want
Don't wanna know me
I'll think you do
But you keep searching baby
Why do you?
Open your eyes
So you'll realize
That what's you looking for is
Right by your side
