Lovely Cup

Grouplove

you're such a lovely cup,
why don't you fill me up?
all these reasons too hard to explain
so i'll drink you up my dear,
we got it all right here
here is now and now is where i wanna be
alora si, you belong to me
and i had to get away,
from this here masquerade

comes a time when a man loses his mind
it's such a mystery, my mind philosophy
what to do when we do have some time
alora si, you belong to me
alora so, never let you go
(no no never let you go)
you're such a lovely cup,
why don't you fill me up?
