

Warriors

Raunchy

Intro:

I am the one that brings death, and dirty girls,

I am the future, the destroyer of your worlds.

I am the one in your colossal sky,

I am you when you scream and wonder why.(Pre-Chorus)

Hell was made for heroes

In all your reason

I am your warrior

(YOUR WARRIOR)Chorus:

We soar above all mistakes

On bruised and battered wings ascend

To bring back the light again

Past imaginationVerse 1:

I am the one that brings revenge at dawn

If I was your god you would live all day and all night long(Pre-Chorus)

Hell was made for heroes

In all your reason

I am your warriorChorus:

We soar

Above all mistakes our bruised

And battered wings ascend

To bring back the light again

Past imagination

Above all mistakes our bruised

And battered wings ascend

To bring back the light again

Past imaginationVerse 2:

(A little step closer x2)

A little step closer to the end.

A little to late.

A little step close to the end.

A little too late.(Faded:

It should have been me

It should have been you)Outro:

We soar

Above all mistakes our bruised

And battered wings ascend

To bring back the light again

Past imaginationAbove all mistakes our bruised

And battered wings ascend
To bring back the light again
Past imagination
