Six Pack

Dirty Projectors

Thirty-five dollars and a six pack to my name
Six-pack!
Spent the rest on beer so who's to blame
Six-pack!
They say I'm fucked up all the time
Six pack!
What they do is a waste of time
Six pack!I know it'll be o.k.
I get a six pack in me, alright!My girl friend asks me which one I like better
Six pack!
I hope the answer won't upset her
Six pack!
I was born with a bottle in my mouth
Six pack!
Now I got a six so I'll never run out
Six pack!I know it'll be o.k.
I got a six pack in me alright!Thirty-five dollars and a six pack to my name
Six-pack!
Spent the rest on beer so who's to blame
Six-pack!
They say I'm fucked up all the time
Six pack!
What they do is a waste of time
Six pack!Six pack!
Six pack!
Six pack!
