

# Six Pack

## Dirty Projectors

Thirty-five dollars and a six pack to my name  
Six-pack!  
Spent the rest on beer so who's to blame  
Six-pack!  
They say I'm fucked up all the time  
Six pack!  
What they do is a waste of time  
Six pack! I know it'll be o.k.  
I got a six pack in me, alright! My girl friend asks me which one I like better  
Six pack!  
I hope the answer won't upset her  
Six pack!  
I was born with a bottle in my mouth  
Six pack!  
Now I got a six so I'll never run out  
Six pack! I know it'll be o.k.  
I got a six pack in me alright! Thirty-five dollars and a six pack to my name  
Six-pack!  
Spent the rest on beer so who's to blame  
Six-pack!  
They say I'm fucked up all the time  
Six pack!  
What they do is a waste of time  
Six pack! Six pack!  
Six pack!  
Six pack!
