

Embalmed In Human Flesh

Sinners Burn

They skinned me alive,
Ripped off my arms and legs,
Cut out my eyes and tongue.
I dont feel pain anymore.They burned my soul
They tore my hart apart
Broke all my bones I two
Now I feel orgasm bumping troughTaste the salt of my flesh
Lick the tears from my eyes
Suck the blood out of my veins
Now they embalm me in human fleshThey burned my soul
They tore my hart apart
Broke all my bones I two
Now I feel orgasm bumping trough
Flesh!
