

Dancing In The Sheets

Shalamar

I caught you smiling
I know I've seen you here before
How comw you're hiding?
Hey don'cha want to hit the floor?
The place is crowded
Or maybe you don't like the beat
I got a two-track playing in my head
So let me take you somewhere else instead
(Dancing in the sheets)

[Chorus:]
Grab your coat and wave goodbye to
Your friends
I want to take you where the night
Never ends
I feel the need to sweep you offa your feet
You and me, we should be dancing in
The sheets
(Nothing ever beats)
(Lovers in the covers)

We got the rhythm
We've got the music on our side
If we go with 'em
I'll bet we'll have a wonderful ride
Your hands are cold
So maybe we could make some heat
Love is always born on a chance
So wrap around me and baby let's dance
(Dancing in the sheets)

[Chorus]
