I DONT CARE

Cityfide

Well, you're all spaced out like a U F O
You're a semi hemi baby but your motor's blownStrung out electric sippin' antiseptic
Drop you like a hand grenade
Murder city Devil never on the level
Kill you with my serenadeI don't care, what I gotta do to love you
I don't need, need you to love me too
I don't care, what I gotta do to love you
I don't need, need you to love me tooKickin' out the jams like an M C five
You're a nuclear bomb in a cold nosediveStrung out electric sippin' antiseptic
Drop you like a hand grenade
Murder city Devil never on the level
Kill you with my serenadeI don't care, what I gotta do to love you
I don't need, need you to love me too
I don't care, what I gotta do to love you
I don't need, need you to love me tooI don't care, what I gotta do to love you
I don't need, need you to love me too
I don't care, what I gotta do to love you
I don't need, need you to love me too
