

# Big 'Ol Game (feat. Raphael Saadiq)

## Joss Stone

Summertime and Wendy I ain't seen for a while  
Since she's been workin' tryin' to catch her own style  
With that I got her back my kettle's always boilin', snow is fallin'  
Hmmm, and it's truly freezy  
Denny ain't been callin'  
He's got a family  
But outside my door it still says:  
"Welcome" on the floor  
Chorus:  
Life is just a big ol' game to me  
I'd like to be number one on your team  
Call me baby (Baby)  
Make me your baby girl (Baby)  
'Cause one day someone will snatch me for their lady, yeah  
The buds in their blooms now  
But no letter's come from Lucy  
She deep in her book tryin' to bring down the words  
But she's on my mind profusely, my sister Lucy  
The birds and bees, they do their thing in trees  
While we're hustlin', bustlin', playing the game of life  
We're lookin' in a dark cloud for the answer of all the questions, why  
[Chorus] I could never be your number two  
'Cause when i'm not there  
I'm sure someone's lovin' you  
And I can't have it  
I won't have it, no  
'Cause one day someone will snatch me for their lady, yeah  
You know sometimes I find myself confused  
It's always why this and uh uh uh, why that?  
See, have you ever heard the saying "it's just a game"?  
Well, then one more why, why can't I stop playing?  
[Chorus] I could never be your... your number two...  
'Cause someone else.. will come and.. start lovin' you, hm..  
And I can't have it..  
I told you I won't have it, no..  
Life is just a big' ol game to me, hhhmm
