

Play Hurt

The American Analog Set

And you don't know what you're doin'
When you turn and act tough
You don't know what it's like
To be me when your eyes light up

And you don't know what you're doin'
You can only play hurt so much
When you're calling me all about him
And I can't hang up

And you don't know what you're doin'
'Cause he can't be enough
But I could even believe
That he loves you like me 'cause
It's hard when your heart's all cracked up

For you
For you
No, don't know, don't know for you

Oh
