

# I Hope I Never

[Tina Arena](#)

I fall apart when you're around  
When you're here, I'm nowhere  
I can't pretend that I'm not down  
I show it, I know it I've been a fool  
More than once, more than twice  
I'm gonna move to a new town  
Where the people are nice I hope I never, I hope I never  
Have to sigh again  
I hope I never, I hope I never  
Have to cry again And I still want to beam and smile  
Happiness is back in style  
I hope I never, I hope I never  
Have to see you again It should be possible I know  
To see you without stress  
But I can see, I'll have to go  
I'm changing my address My urge to cry  
I have failed to conceal  
Life, it's no fun when you're hunted  
By the things that you feel I hope I never, I hope I never  
Have to sigh again  
I hope I never, I hope I never  
Have to cry again I'm for living while you can  
I'm an optimistic woman  
I hope I never, I hope I never  
Have to see you again, again I hope I never, I hope I never I still want to beam and smile  
Happiness is back in style  
I hope I never, I hope I never  
Have to see you again, again  
Have to see you again, you again
