

Positive Aspects of Negativity

Stretch Arm Strong

Sometimes I'd like to punch you in the mouth
Just to keep you from talking so loud
And sometimes I'd like to wring your little neck

So maybe just, maybe you'd forget
To be so selfish all the time and wasting all my time with your words
I can't hear you when you scream so loud

And I can't see you when you throw another fit

It's just another heartache for me to endure
My back is breaking, my knees are on the floor
Afraid to say what's on my mind

I've played that fool so many times

And I don't wanna play that game anymore
So before you take your final blow
There's one thing that you should know

I tried to keep this painless for way too long

I always hoped you'd see although you never could, you never could
