

Contrary to Popular Belief.

Odd Modern

The light and shadow of your hair
as you carry on up there

No refunds I take it
glass-bottom boat, can't fake it
don't care about your son
I just came here to have some fun

Selfish I know, but your history in a tourist trap is no vacation to me

No cameras, just eyes here
just give me the sign dear
cause I'm not the only one who just came here to have some fun

Selfish I know, but your history in a tourist trap is no vacation to me
try spending time with your family,
came all this way just to talk to me.
