

Can't Stop Thinking About You

George Harrison

Can't stop thinking about you
Can't stop thinking about you
It's no good living without you
I can't stop thinking about you Can't stop thinking about you
Can't stop thinking about you
And it's no good living without you
I can't stop thinking about you When the night-time comes around
Daylight has left me, i
I can't take it if I don't see you no more
I can't help it, I need your loving so much more And I can't stop thinking about you
Can't stop thinking about you
And it's no good living without you
I can't stop thinking about
I can't stop thinking about
I can't stop thinking about you, ooh Can't stop thinking about
Can't stop thinking about
Can't stop thinking about you When the morning comes around
And the daylight gets to me, i
I can't take it if I don't see you no more
I can't help it, I need your loving so much more And I can't stop thinking about you, oh yeah
I can't stop thinking about you
And it's no good living without you
I can't stop thinking about
I can't stop thinking about
I can't stop thinking about you I can't stop thinking about
Can't stop thinking about
Can't stop thinking about you (repeat and fade:)
I can't stop thinking about
I can't stop thinking about
I can't stop thinking about you
