## **Can't Stop Thinking About You**

## **George Harrison**

Can't stop thinking about you

Can't stop thinking about you

It's no good living without you

I can't stop thinking about youCan't stop thinking about you

Can't stop thinking about you

And it's no good living without you

I can't stop thinking about youWhen the night-time comes around

Daylight has left me, i

I can't take it if I don't see you no more

I can't help it, I need your loving so much moreAnd I can't stop thinking about you

Can't stop thinking about you

And it's no good living without you

I can't stop thinking about

I can't stop thinking about

I can't stop thinking about you, oohCan't stop thinking about

Can't stop thinking about

Can't stop thinking about youWhen the morning comes around

And the daylight gets to me, i

I can't take it if I don't see you no more

I can't help it, I need your loving so much moreAnd I can't stop thinking about you, oh yeah

I can't stop thinking about you

And it's no good living without you

I can't stop thinking about

I can't stop thinking about

I can't stop thinking about youI can't stop thinking about

Can't stop thinking about

Can't stop thinking about you(repeat and fade:)

I can't stop thinking about

I can't stop thinking about

I can't stop thinking about you
