Albion Hotel

Craig Cardiff

i had this dream where you holed up in guelph
made a life above the albion hotel
hard to say if the angels had come
or if you'd just come undone againtroubles piled problems grew
it was hardly ever me or hardly ever you
and i don't know what to do
do you know what to do about...
do aboutdon't tell me we're trying no one is trying here
an awful ending to an otherwise perfect yearthe couple downstairs always fight
one's always wrong one's always right
i don't know who is who
do you know, do you know about
