# Back to Life (However Do You Want Me)

## Soul II Soul

Back to life, back to reality
Back to life, back to reality
Back to life, back to reality
Back to the here and now, yeahShow me how decide
What you want from me
Tell me, maybe I could be there for youHow ever do you want me
How ever do you need me
How ever do you want me
How ever do you need meHow ever do you want me
How ever do you need me
How ever do you want me
How ever do you need meBack to life, back to the present time
Back from a fantasy, yes
Tell me, now, take the initiative
I'll leave it in your hands until you're readyHow ever do you want me
How ever do you need me
How ever do you want me
How ever do you need meHow ever do you want me
How ever do you need me
How ever do you want me
How ever do you need meHow ever do you need me
How ever do you need me
How ever do you need me
How ever do you need meI live at the top of the block
No more room for trouble and fuss
Need a change, a positive change
Look, it's me writing on the wallHow ever do you want me
How ever do you need me
How ever do you want me
How ever do you need meHow ever do you want me
How ever do you need me
How ever do you want me
How ever do you need meBack to life, back to the day we have
Let's end this foolish game
Hear me out, don't let it waste away
Make up your mind so I know where I standHow ever do you want me
How ever do you need me
How ever do you want me
How ever do you need meHow ever do you want me

How ever do you need me
How ever do you want me
How ever do you need meHow ever do you want me
How ever do you need me
How ever do you want me
How ever do you need meHow ever do you want me
How ever do you need me
How ever do you want me
How ever do you need me
