

Neighborhood Drug Dealer

[Rick Ross](#)

Uh, I'm your neighborhood drug dealer
It's your neighborhood drug dealer
Uh, it's your neighborhood drug dealer
I'm your neighborhood drug dealer
Neighborhood drug dealer
It's your neighborhood drug dealer
One, two, what it be?

Michael Jordan, white, bitch, 23Bet you hear my pipes rev when I tip the scale
Rich forever, still a muscle and it never fails
You a house nigga so they let you get the mail
We in the back whippin' egg whites and crackin' shells
Robin jeans for my team, pocket for the sale
Pussy niggas gossip pray you die from gonorrhea
Al Capone where I'm from that Benzo bullet proof
Neighborhood dope boy you can get it too
Fuck them pussy niggas catch they ass at Smoothie Kings
Hundred missed calls after that new toolie rings
Skip South Beach bitch bring it to the bridge

For that change, put that thing right up to your ribsUh, I'm your neighborhood drug dealer
It's your neighborhood drug dealer
It's your neighborhood drug dealer
I'm your neighborhood drug dealer
Neighborhood drug dealer
It's your neighborhood drug dealer
One, two, what it be?

Michael Jordan, white, bitch, 23Chevy SS, she heard I bump fire
Got grow houses up and down through Pembroke Pines
Say the streets count, I say it's 'bout time
Bail hop, on my mama, been about mine
Still pay my child support, in all trap money
All 5's and 10's, can't touch my rap money
She won't fuck with me, I'm hatin', yeah her pussy stank
Meet your migo mama then you crack the piggy bank
Dope boy dream, never lose it all
Montgomery Alabama know we love the send 'em soft
Baton Rouge's a Actavis and act a fool

Neighborhood dope boy you should hit me tooUh, I'm your neighborhood drug dealer
It's your neighborhood drug dealer
It's your neighborhood drug dealer

I'm your neighborhood drug dealer
Neighborhood drug dealer
It's your neighborhood drug dealer
One, two, what it be?
Michael Jordan, white, bitch, 23
