

# Dear Mom & Dad

## Us The Duo

Show me the way to go, and I will follow you x3  
Show me the way to go, and I will follow  
You've proven nothing but the best for me and I thank you  
I'll spend my whole life trying to repay the favor  
You've given everything to me that I will need to know  
And now you still don't wanna stop  
Gonna get you back one day and show you what you did for me  
And you won't ever see it comin  
I never got what you were doing for me at the time, but now I see it, now I get it  
I'll pass it on agan, and you will never die x2  
Your world will be inside, a pair of little eyes  
Your love will never ever stop  
You've proven nothing but the best for me and I thank you  
I'll spend my whole life trying to repay the favor  
You've given everything to me that I will need to know  
And now you still don't wanna stop  
Gonna get you back one day and show you what you did for me  
No you won't ever see it comin  
I never got what you were doing for me at the time, but now I see it, now I get it  
Gonna get you back one day and show you what you did for me  
No you won't ever see it comin  
I never got what you were doing for me at the time, but now I see it, now I get it  
Gonna get you back one day and show you what you did for me  
No you won't ever see it comin  
I never got what you were doing for me at the time, but now I see it, now I get it  
But now I see it, now I get it  
But now I see it, now I get it
