

A Hard Day's Night

The Beatles

It's been a hard day's night
And I've been working like a dog
It's been a hard day's night
I should be sleeping like a log
But when I get home to you
I find the things that you do
Will make me feel alright.

You know I work all day
To get you money to buy you things
And it's worth it just to hear you say
You're going to give me ev'rything
So why on earth should I moan
Cause when I get you alone
You know I feel ok

When I'm home ev'rything seems to be right
When I'm home feeling you holding me tight, tight, yeh

It's been a hard day's night
And I've been working like a dog
It's been a hard day's night
I should be sleeping like a log
But when I get home to you
I find the things that you do
Will make me feel alright.

Owww!
So why on earth should I moan
Cause when I get you alone
You know I feel ok

When I'm home ev'rything seems to be right
When I'm home feeling you holding me tight, tight, yeh

It's been a hard day's night
And I've been working like a dog
It's been a hard day's night
I should be sleeping like a log
But when I get home to you

I find the things that you do
Will make me feel alright.

You know I feel alright
You know I feel alright
