O Alexandra

Said the Whale

Oh Alexandra
So completely undeniable
So completely beautiful
You teach me to sing again
So sweetly I will sing for you
If you let me in.Alexandra
When you wake up
Wear your morning crown
No make up
Beautiful
You teach me to love again
So deeply I will fall for you
If you let meOh Alexandra
When you give up
Bear your only heart
No regrets
Beautiful
You teach me
Whole again
So sweetly I will be with you
If you let me inAlexandra
When you wake up.
