

Flow

Live

Gotta find a way to flow
In a host of things that grow
Where babies become old
And love is bought and sold
The mouth of God is wide
So let's just fall inside
And let the whole damn thing go
And flow
Everybody's here
Mystery and beer
I have nothin' to fear
'Cuz I found a way to flow
(Found a way to flow)
In a host of things that grow
Where babies become old
(Babies become old)
And love is bought and sold
The mouth of God is wide
(Mouth of God is wide)
So let's just fall inside
And let every damn thing go
And flow
Flow
Flow
Flow
Everybody's here
The mystery is near
I have nothin' to fear
'Cuz I found a way to flow
(Found a way to flow)
In a host of things that grow
These babies become old
(Babies become old)
And love is bought and sold
The mouth of God is wide
(Mouth of God is wide)
So I'll just fall inside
And let every damn thing go
And flow

Flow
Flow
Flow
Flow
Flow
Everywhere we go
Flow
(Come inside)
Flow
(Come inside)
Everywhere we go
I gotta find a way to flow
(Find a way to flow)
In a host of things that grow
Where babies become old

And love is bought and sold
The mouth of God is wide
(Mouth of God is wide)
I'll just fall inside
And let the whole damn thing go
And flow
Flow
Flow
Flow
Flow
Everywhere we goes
Flows
