Spirit Keyz

The Worshyp

Yeah Iâ€™m the one who makes you wonder why
Iâ€™m the one whose wonders you deny
Nobody reads the stars like me
In touch with things that you canâ€™t see
I know just where you live and when you die
Letâ€™s start the show
Iâ€™ll dim the lights
Iâ€™ll end those haunted dreams you have at night
So pay the toll
Look in my eyes
Unlocking all your mysteries
Iâ€™m the one who holds the keys
You wonder just how long youâ€™ll have to wait
Step right up and choose from cards of fate
A crystal ball that tells of all
The spiritâ€™s image on the wall
My magic key unlocks the secret gate
You seek the dead
Then have no doubt
Iâ€™ll channel energies to bring them out
The light turns red
So pay me now
In touch with your lost family
Iâ€™m the one who holds the key
I hold the Spirit Keys
Late at night itâ€™s climbing up the stairs
I have a feeling someone died in there
For fifty dollars more my friend
Iâ€™ll tell you how they met their end
And twenty more will get you when and where.
Letâ€™s start the show
Iâ€™ll dim the lights
Youâ€™ll learn about those haunted dreams at night
So pay my toll
Look in my eyes
Unlocking all your mysteries
Iâ€™m the one who holds the keys
