Let The Groove Get In (Sammy Bananas Bootleg)

Justin Timberlake

Are you comfortable right there, right there?
Let the groove get in there, there, right there
Are you comfortable right there, right there?
Let the groove get in there, there, right there
Are you comfortable right there, right there?
Let the groove get in there, there, right there
Are you comfortable right there, right there?
Let the groove get in there, there, right there
Are you comfortable right there, right there?
Let the groove get in there, there, right there
Are you comfortable right there, right there?
Let the groove get in there, there, right there
Are you comfortable right there, right there?
Let the groove get in there, there, right there
Are you comfortable right there, right there?
Let the groove get in there, there, right there
Are you comfortable right there, right there?
Let the groove get in there, there, right there
Are you comfortable right there, right there?
Let the groove get in there, there, right there
Are you comfortable right there, right there?
Let the groove get in there, there, right thereCome on, shake
Like you know you got something to prove baby mama
Move like the groove's taking over you make no mistake
You're in the place to be by far so let's get
Crazy like we ain't never gonna see tomorrow, come onAre you comfortable right there, right there?
Let the groove get in there, there, right there
Are you comfortable right there, right there?
Let the groove get in there, there, right there
Are you comfortable right there, right there?
Let the groove get in there, there, right there
Are you comfortable right there, right there?
Let the groove get in there, there, right there
Are you comfortable right there, right there?
Let the grove get into you!Shake like you know you got nothing to lose make it move
Girl, you know what we came to do make no mistake
You're in the place to be by far so let's get
