Uh HuhEh girl, how you doing? What ya name is?

Looking like a model or somebody famous

Where's that nigga that you came with

If your here alone, baby we gon have to change this (Change this)

Cuz your sexy then a motha fucker (Motha fucker)

To get to know you girl I'd really love to (Tonight)

Get to show you a good time and get it crackin' with a slow grindDamn shawty you look sexy as hell and now
ya grinding,

You don't know what it does to me

I put my hand right here

Grab ya booty right there

Baby don't be scared come on

Come here, come here

I know you wanna come closer

Come here, come here

I want you closer and closerGot me feeling this, I swear, bumping and grinding on some R.Kelly shit

And I'm feeling good (yeah, yeah) cuz your braking it down

Like you don't know who your really messing with

I-I-I-I wanna pull you close to me

(I-I-I) Put my hands on your booty

I wanna show you a good time and pop it off with a slow grindDamn shawty you look sexy as hell and now ya
grinding,

You don't know what it does to me

I put my hand right here

Grab ya booty right there

Baby don't be scared come on

Come here, come here

I know you wanna come closer

Come here, come here

I want you closer and closer (I know you wanna get closer) This is for all my sexy ladies
I been watching you baby and I really wanna dance wit you
And you and you and you and you too (Uh huh, uh huh)
So many here for me to choose from (Uh huh, uh huh)
It's hard for me to choose one (Uh huh, uh huh)
You don't know what it does to me yeah
But I choose you baby (Your bad) Damn shawty you look sexy as hell and now ya grinding,
You don't know what it does to me (What it does to me)
I put my hand right here (Right here)
Grab ya booty right there (Right there)
Baby don't be scared come on
Come here, come here
I know you wanna come closer
Come here, come here
I want you closer and closer Damn shawty you look sexy as hell and now ya grinding,
You don't know what it does to me
I put my hand right here (Right here)
Grab ya booty right there (Right there)
Baby don't be scared come on
Come here, come here (Slow it down for me)
I know you wanna come closer
Come here, come here
I want you closer and closer Ooohh baby
Aw baby come on...
