

End of the Day

One Direction

I told her that I loved her
Was not sure if she heard
The roof was pretty windy
And she didn't say a word
Party dyin' downstairs
Had nothing left to do
Just me, her and the moon I said, you're on fire babe
then down came the lightning on me
Love can be frightening for sure All I know at the end of the day
Is you want what you want and you say what you say
And you follow your heart even though it'll break
Sometimes
All I know at the end of the day is you love who you love
There ain't no other way
If there's something I've learnt from a million mistakes
You're the one that I want at the end of the day At the end of the day
You're the one that I want at the end of the day She said the night was over, I said it's forever
Twenty minutes later wound up in the hospital
The priest thinks it's the devil
My mum thinks it's the flu
But girl it's only you I said, you're on fire babe
And down came the lightning on me
Love can be frightening for sure All I know at the end of the day
Is you want what you want and you say what you say
And you follow your heart even though it'll break
Sometimes
All I know at the end of the day is you love who you love
There ain't no other way
If there's something I've learnt from a million mistakes
You're the one that I want at the end of the day When the sun goes down I know that
You and me and everything will be alright
And when the city's sleeping
You and I can stay awake and keep on dreaming
You and I can stay awake and keep on dreaming All I know at the end of the day
Is you want what you want and you say what you say
And you follow your heart even though it'll break
Sometimes
All I know at the end of the day is you love who you love
There ain't no other way

If there's something I've learnt from a million mistakes
You're the one that I want at the end of the dayAt the end of the day
You're the one that I want at the end of the day
You're the one that I want at the end of the day
