

Turn Around

Devo

Take a step outside yourself
Then you turn around
Take a look at who you are
It's pretty scary You're so silly
Well, it's revolting
You're not much
If you're anything Take a step outside the city
And you turn around
Take a look at what you are
Well, it's revolting You're really nowhere
You're so wasteful
So foolish
No big deal Who said, don't look back
Don't believe 'em
You go for that corner seat in the restaurant
'Cause they're gonna try and get behind you Don't you let 'em do it
You know what I'm talkin' about?
You hear me talkin'? It's pretty scary
It's so revolting
It's pretty scary
It's so revolting It's pretty scary
It's so revolting
It's pretty scary
It's so revolting Take a step outside the country
Then you turn around
Take a look at where you are
Well, it's amazing Take a good look
You're no big deal
You're so petty
It's a laugh Take a step outside the planet
You turn around and round
Now take a look at where you are
It's pretty scary
