

Pretty Baby

Blondie

Stars live in the evening
But the very young need the sun
Pretty baby, you look so heavenly
A neo-nebular from under the sun
I was forming, some say I had my chance
The boys were falling like an avalanche
Ya ya baby, La Dolce Vita, is a magic dance
No one was listening
Pretty baby, un petite ingenue
A teenage starlet, I fell in love with you
You, you with the comb
You look okay in every way, you
Ah, I should have known
You'd look at me and look away
Pretty baby, you look so Heavenly
A neo-nebular from under the sun
Eyes that tell me incense and peppermints
Your looks are larger than life, long live innocence
Petite ingenue, I fell in love with you
Pretty baby, I fell in love with you, whoah oh
Pretty baby, oh oh
Pretty baby, whoah oh, I fell in love with you
