

# Bedroom Eyes

Kate Ceberano

I can't resist you no matter how I try  
After all this time can't believe that I'm  
About to take this ride  
Said it was over decided we were through  
I've convinced myself that somebody else could take the place a you

You're part of me my one obsession  
And from this power you possess I need protection  
When you're staring straight through me  
With those eyes those bedroom eyes  
I'm lost for words so hypnotized  
I can feel it in my heart it's about to start  
With those eyes those bedroom eyes

I made a promise to myself that I would  
Erase you from my mind leave the past behind  
Be done with you for good but then I saw you I knew that I had lied  
I thought of just how much I crave your touch to keep me satisfied

You're part of me my one obsession  
And from this power you possess I need protection

When you're storing straight through me  
With those eyes (eyes) I must admit (ooh) I'm not surprised  
I can feel it in my heart (feel it in my heart) it's about to start  
With those eyes (ooh) those bedroom eyes

You're a part of me my one obsession I need you  
And from this power you possess I need protection hey what con I do  
There is no reason to lose my sight  
As long as I can see myself reflected in those eyes

Bedroom eyes (eyes) those bedroom eyes (eyes)  
I'm lost for words (ooh) so hypnotized  
When you stare into my soul (stare into my soul) I lose all control  
Too those eyes (ooh) those bedroom eyes

Bedroom eyes (eyes) those bedroom eyes (eyes)  
I must admit (ooh) I'm not surprised  
I can feel it in my heart (feel it in my heart) its about to start

With those eyes (ooh) those bedroom eyes

Yeah oh no no no no no no no no those bedroom eyes  
Make me feel it in my soul (ooh ooh yeah) da da da hey  
Ooh dee yeah yeah yeah yeah yeah  
My obsession my obsession my obsession
